NARRATIVE SUPPLEMENT**

VICTIM Schaefer, Robert G	OFFENSE Theft	Control Number KI00030449
		Agency Report Number 2015-5503
		INCIDENT DATE AND TIME 02/04/2015 2030

On 02-04-15 at 2119 hrs, I was dispatched to 1773 Hillwood Dr. on report of a theft. Upon arrival, I spoke with the reporting person, Robert Schaefer. Mr. Schaefer stated that he arrived at 1773 Hillwood Dr. at approximately 2020 hrs to drop off his mother-in-law at her residence. He parked his Chevy Tahoe in the driveway of 1773 Hillwood Dr. and left the vehicle unlocked while he was inside the home for approximately 10 minutes. When he came back outside, he noticed several items were missing from the vehicle.

Mr. Schaefer said an unknown suspect stole his black 16 GB iPhone 5 which was in a black Otterbox case, a black Dell laptop computer that was in a black backpack with gray trim, and a soft silver CD case containing approximately 25 CDs. Mr. Schaefer could not provide serial numbers for the iPhone or the Dell laptop at this time.

Mr. Schaefer said he noticed footprints in the snow in the driveway near his vehicle. Mr. Schaefer said he believes the foot prints came from the direction of Cordell Dr., leading to the driveway of 1773 Hillwood Dr. Mr. Schaefer said he followed the footprints from his vehicle, which lead West on Hillwood Dr., South on Waterbury Dr. and West on W. Stroop Rd. into the UDF parking lot.

I contacted the employees at UDF and they allowed me to view the security video. The video showed at 2049 hrs a white male, wearing black pants, a gray hooded sweatshirt, and a white, green, and black winter hat. The suspect was also wearing a black backpack with gray trim which matched the description provided by Mr. Schaefer. I later showed photos of the suspect from the video to Mr. Schaefer. Mr. Schaefer and his wife said they believe the backpack in the video is Mr. Schaefer's backpack which was stolen from his vehicle.

Both employees at UDF said they recognized the customer in the video as someone who comes into the store on a regular basis. They did not know his name but said he has several tattoos on his arms and neck. They said he paid for his purchases with a debit card and they provided a copy of the receipt. The employees at UDF were not able to save a copy of the video to disc at this time, but said they would request for a manager to do so as soon as possible.

Respectfully,

Ptl. M. Martin #361

7. SUPPLEMENTAL TEXT

Sir,

I was assigned this case for follow-up on 2/5/15. The case was for a theft from a vehicle on Hillwood. The complainant, Robert Schaefer, reported several electronic items and a backpack stolen from his vehicle. The theft occurred between 8:30PM and 9PM. Mr. Schaefer followed footprints in the snow to the front of UDF on W Stroop. The reporting officer, Ptl. Martin, viewed the video from UDF and found a male buying several items at 2049 hours. He was wearing a backpack which was identified as belonging to the complainant. Ptl. Martin obtained a copy of the receipt from the purchase.

I contacted Connie at UDF to request a copy of the video. She advised that they are trying to figure out how to burn a copy and will call me when they have it ready.

On 3/2/15 I received a supplemental report from Ptl. Martin indicating he had obtained a copy of the video from UDF and placed it in the property room.

I reviewed the copy of the receipt contained in the report and observed that the debit card used was actually a SNAP food stamp card. I contacted Agent Barnhart with OOCIC and the USDA and asked if he could identify the owner of the card with the information available on the receipt. He said he could find out who it was and requested that I email him a copy of the receipt.

Several weeks later Agent Barnhart emailed me back advising he was able to rebuild the card number and determine who the owner was. The PDF files he included in the email indicated that the owner of the card was a female named Amanda Sexton at 3660 Heartland Dr. Agent Barnhart also advised that the card had not been reported stolen and was likely sold to the suspect in exchange for cash or he was a relative of Sexton. I checked Amanda Sexton through CAD, TLO and Dayton MIS and was unable to locate a good number for her. I was also unable to find any males connected with Sexton that could be the suspect.

I sent an appointment letter to Amanda Sexton requesting her presence at KPD to speak to me about this case. Amanda showed up on the requested date. I showed her a still photo from the surveillance video and she immediately said "yep that's Bobby". She further advised that the male in the photo was Bobby K. Young. She advised that he is the father of her child and she has known him for several years. Amanda went on to say that Young is a heroin addict and often steals to support his habit. Amanda did not remember the night of the theft, but advised in February Bobby would've visited the Heartland address to see their child. The Heartland address is her grandmother's house and Young is not allowed to stay in the house. Amanda said she hasn't spoken to Bobby in a few weeks. She said she doesn't know where he is staying but he occasionally contacts her to see her and their child or to ask for money. I advised her not to tell him that he's a suspect in this case and I'll interview him the next time he gets arrested. She agreed and completed

a written statement. Amanda also advised Bobby had permission to use her SNAP benefits card.

On 7/13/15 I checked JusticeWeb and found that Bobby Young was arrested on 7/9/15 for theft charges in Miamisburg.

On 7/17/15 I interviewed Bobby Young at the Montgomery County Jail. Det. Vandegrift accompanied me and we met Bobby in an interview room outside his Pod. I read him his Miranda rights and asked if he understood them and asked if he was willing to speak to me about a theft. He advised that he understood his rights and agreed to speak to me. I explained to Bobby why I was there and showed him the surveillance pictures from UDF. He advised that he doesn't remember committing any thefts in Amanda's neighborhood in February. He stated, unequivocally, that it was him in the video and stated that he doesn't remember that backpack. I talked to him more in depth about the case and eventually he admitted that he did commit the theft but doesn't remember what he did with the items that he stole. He thinks that he sold the iPhone on the street or traded it for drugs. He also did not recall having the laptop or other items reported stolen. He advised that he has 5 months "on the shelf" through Kettering Courts for a theft that occurred in May 2015. He was concerned about having to do more time in jail since this offense occurred before the May incident.

I made contact with the victim, Robert Schaefer, and confirmed that he still wanted to pursue charges on Young for theft.

I completed an affidavit and PC form and brought it to the Kettering Prosecutor's office to be completed. I brought the signed affidavit to the Clerk's Office and served Young Via fax at the MCSO Jail.

Respectfully Submitted,

Det. R. Meno
